### MECHANICAL DEPARTMENT

#### Report: One Day Workshop on Computer Aided Drafting

Conducted by: Eduspark International Pvt. Ltd.

Date: 23/09/2025

Location: Eduspark International Pvt. Ltd./ Ranjangaon

#### Objective:

The main objective of this session was to clear basics of CAD as well as get guidance about better career opportunities offered in industry in the field of designing. Along with it getting information about various other skill development courses available to get better job and career opportunities.

#### Overview of the Workshop:

Officials from Eduspark conducted an informative and interactive session with our students regarding concepts of Computer Aided Drafting.. The demonstration covered:

- **Introduction to CAD:**

Brief explanation of various concepts of Computer Aided Drafting. Various design tools

**Vision-** To provide excellent knowledge and enrich the problem-solving skills of the students in the field of Mechanical Engineering with a focus to prepare the students for industry need, recognized as leader and a responsible citizen.

and its proper use to obtain given drawing was explained. Various difficult models that can be drawn using CAD and Creo software were explained.

**Thanking their Director for Workshop**

- **Interaction with students:**

Trainer had interactive session with our students. Students asked all their doubts and those were cleared by given various examples.

**Students Asking Doubts to Trainer**

**Vision-** To provide excellent knowledge and enrich the problem-solving skills of the students in the field of Mechanical Engineering with a focus to prepare the students for industry need, recognized as leader and a responsible citizen.

### **MoU File Transformation with Edu Spark**

#### **Key Learnings:**

- Basics of AutoCAD was perfectly viewed
- Knowledge of Advanced Techniques was known.
- Students were given future scope in Design Field.
- Students gained good knowledge of the subject.

#### **Conclusion:**

The session successfully enhanced students understanding of basics of Computer Aided Drafting. Also knowledge about various career opportunities in design field were given to students. Various other skill development courses taken by Eduspark International Pvt Ltd were also explained to get better job opportunities along with industrial requirements.

**Vision-** To provide excellent knowledge and enrich the problem-solving skills of the students in the field of Mechanical Engineering with a focus to prepare the students for industry need, recognized as leader and a responsible citizen.

**Vote of Thanks –**

Prof. Mr. Dude R.G gave away vote of Thanks for giving our students such great opportunity and being thankful towards Eduspark.

**Exit Photo with all Students And Edusprak Staff.**

**Prof. Dr. V. B. Jadhav  
Head of Department**

**Prof. Dr. S. D. Kapse  
Principal**

**Vision-** To provide excellent knowledge and enrich the problem-solving skills of the students in the field of Mechanical Engineering with a focus to prepare the students for industry need, recognized as leader and a responsible citizen.
